Vice President: Elier  
Aguilera

Treasurer:  
Craig Everson

Secretary:  
Jake Boulware

**President's Message:**

This is my final president's message, and I'd like to reflect on the expeditious previous year. The ASSE House of Delegates approved historically significant changes for our future organization. In a few short weeks, we will completely shift to the American Society of Safety Professionals (ASSP), the "brand"/website/foundation of our beloved organization will also be updated, our annual dues will increase, and student members will receive an additional benefit to remain members after graduation. These considerable changes required a rather large administrative demand on our board, and especially yours truly. I just want everyone to know that I'm planning to assist next year's board in anyway possible to try and meet the lofty goals I had set (and unfortunately didn't achieve) this year. We're always open to recommendations and comments for improvement, and we hope to "up our game" in the coming year to provide you with more educational and networking opportunities.
