**ASP/CSP Development**

If you wish to borrow our chapter’s study guides for either the ASP or CSP exam preparation, please contact Tony Prospero, CSP at: tony.prospero@marshmma.com or 262-797-6284. For more information on the exams and the certification process, please contact BSCP’s website at www.bosp.org. Also, please look at the ASSP Foundation site. They have funds that you may qualify for to help defer the costs of the exams and prep course. Please refer to page 3 for more information.

Chapter President’s Message:

I hope everyone had a great holiday break and start to the new year. We finished 2019 in style with our 2 Fall/Winter meetings. First, members got some insight into wearable technology from Jim Meachem from Occucare and a great behind the scenes tour of Miller Park. Some of the members even got to sit where Bob Uecker calls the games during the season. We finished December with a great collaborate effort with other local organizations to provide a Winter Social. It was held at the historic Pfister Hotel Ballroom. Food, ambience, and networking opportunities were amazing. We had a fun raffle and events to keep the members entertained. Make sure to check out our pictures from both events on our Social Media platforms and at the end of this newsletter. Spring brings new Technical Meetings with some Construction Tours included. Make sure to follow us on social media as we often share event details, photos, and other news via that medium. As always, we the Board are here to serve you and make this Chapter what you want it to be.

WI Chapter President for 2019-2020:

The five Past-Presidents still actively serving on the board (left to right): Todd Loushine, Rebecca Severson, Corey Vickers, Bruce Morton and Jared Owen
Since 1990, the ASSP Foundation has awarded more than $3 million in scholarships and professional education grants to students beginning their studies in occupational safety and professionals seeking to continue their education. We offer nearly 150 awards each year ranging from $500 to $15,000 each. More than 1,300 safety students and professionals have advanced their careers, thanks to the generosity of the safety community.

**THE FUTURE OF THE PROFESSION**

The ASSP Foundation utilizes donor-funded resources to support the future of the OSH profession through three pillars, gleaned from the ASSP mission statement: Education | Leadership Development | Research
