Craig Everson

Vice President:  
Jake Boulware

Treasurer:  
Joel Dickinson

Secretary:  
Elizabeth Polheber

**Chapter President's Message:**

I hope everyone had a great holiday break and start to the new year. We finished 2019 in style with our 2 Fall/Winter meetings. First, members got some insight into wearable technology from Jim Meachem from Occucare and a great behind the scenes tour of Miller Park. Some of the members even got to sit where Bob Uecker calls the games during the season. We finished December with a great collaborate effort with other local organizations to provide a Winter Social. It was held at the historic Pfister Hotel Ballroom. Food, ambience, and networking opportunities were amazing. We had a fun raffle and events to keep the members entertained. Make sure to check out our pictures from both events on our Social Media platforms and at the end of this newsletter. Spring brings new Technical Meetings with some Construction Tours included. Make sure to follow us on social media as we often share event details, photos, and other news via that medium. As always, we the Board are here to serve you and make this Chapter what you want it to be.
