### **ASSE National News**

For the first time since November 8th, 1985 the ASSE HQ is moving! The new headquarters building is located at 520 N. Northwest Highway Park Ridge, IL 60068.

The move will occur Thursday, February 5th and Friday, February 6th. During this time period, please be aware of the following:

- [www.asse.org](http://www.asse.org) will be unaffected.
- Phones and e-mail will be down. E-mails sent to staff during this time period will be captured in a queue and distributed when the system is reconnected on Friday afternoon.
- Customer Service will be available at +1 847 699.2929.
- Business as usual will resume on Monday, February 9th. A notice with this information will be posted on the Society's website and an e-mail will be sent to all members.

It's an exciting time for ASSE, Thank you for your support!

Steve Hansen, Manager,  
Chapter Services  
American Society of Safety Engineers

NAOSH (North American Occupational Safety & Health) week is May 3rd - 8th. It is dedicated to bringing awareness to the need to actively prevent injury and illness in the workplace, home and community.

NAOSH holds contests and presents awards around NAOSH week. If you would like to submit something, the deadline for all contest entries and award nominations is March 15th.

ASSE invites children worldwide to enter the 2015 NAOSH Safety Awareness Poster and Video Contests, which ask participants to showcase the importance of workplace safety. Please visit their website at [NAOSH.org](http://NAOSH.org) for more information.

Please note, that when registering for upcoming technical meetings, go to the Chapter website (<http://wisconsin.asse.org/>) to register in advance.

The Wisconsin Chapter Board members are in place to make this chapter, with your help, the most successful. For any ASSE questions or to get more involved with our chapter, please contact:

Mr. Jared Owen, ASSE 2014-2015 WI Chapter President or  
Mr. Brian Oberle, ASSE 2014-2015 WI Chapter President Elect

### **Last Minute Notice**

**February 18<sup>th</sup>, 2015 11:30 registration for the Noon ASSE/ WASC joint meeting at the Thunderbay Grill, in Pewaukee, featuring Mr. Jerry Walsh of your Green Bay packers speaking on “Workplace Attitudes”.**

**Don't miss this valuable chance to learn firsthand about the safety efforts at the Packers organization, please view the website for more info and to register in advance.**

**Above ASSE Wisconsin Chapter President Mr. Jared Owen (right) thanks guest speaker Mr. Eric Putnam of Wixon, Inc., St. Frances, WI on a fine presentation on Food Safety at the January, 2015 technical meeting. Come on out to a meeting and gather some very interesting information on some great new topics, see you there!**

**This motley crew toured the Wixon, Inc. facility, what an event! Please note the non-conformist far right? Middle is past President B. Morton!**

## **Join us for the Racine Safety Day 2015 on March 11, 2015**

**Gateway Technical College along with the Milwaukee Area OSHA office, the American Society of Safety Engineers (ASSE) Wisconsin Chapter, and WisCon offer the 4th annual Safety Day at Gateway's Racine Building Conference Center on March 11, 2015 from 7:30 a.m. - 1 p.m.**

**The ability to maintain a safe and secure workplace is essential to worker safety. This conference is designed for employees and managers of businesses in general industry to provide the resources and information to enhance safety through awareness, design, delivery and evaluation.**

**Topics include Emergency Evacuation, Violence in the Workplace, Ergonomics and Lock Out Tag Out. There are numerous new sessions this year including Fall Protection, OSHA Record Keeping with Rule Change, Respiratory Protection, Machine Guarding, Ladder Safety, Safety Management Practices and Industrial Hygiene.**

**Cost of \$20 includes welcome session, 3 training courses, lunch & networking and vendor displays.**

**Heart Saver AED will be offered again this year as a separate session from 1-5 pm for an additional \$20 registration fee.**

**To register for Safety Day, Heart Saver AED or both, please visit: [training.gtc.edu](http://training.gtc.edu)**
