January Technical Meeting

Highlights:

Thank you to Lighthouse Safety for hosting the Fall Protection Seminar in January. John Corriveau gave a presentation on the latest updates in fall protection and provided a great networking hour following the event. A good time was had by the sold out crowd! See pictures below.

February Technical Meeting:

Don't Forget the OSHA Compliance Seminar is this Friday 2/26/16! The annual seminar provides 0.5 CEUs and is perfectly priced. This seminar sold out of space this year! Keep an eye out for next year's event!

March Technical Meeting:

Join us at Delafield Brewhaus for an update on "What's new in Industrial Hygiene?" presented by Brian Harms. Brian is a Senior Project Manager at TRC Environmental Corporation in Brookfield, WI and specializes in environmental compliance and indoor air quality. The IH update presentation will be followed by a networking session.

Please see the attached flyer for more information. Please register by March 18th at the WI Chapter Website:
<http://wisconsin.asse.org/>

Chapter WISE

Fellow WISE Members: The Wisconsin Chapter would like ideas for more WISE interaction! Please let Rebecca Severson at rseverson@gilbaneco.com know if you have any ideas/suggestions regarding networking after meetings, if you would like to try to set up a separate event, or if there charity events that we can run as a group.

Thinking about warmer weather? Registration is now open for our 20th Annual Golf Outing at Hawk's View Golf Course!

Sponsorship Opportunities and Golf await you at the following link!
