

ASSE Board Meeting - Update

November 5, 2014 – 10:45 a.m. until 11:30 a.m. • Conference Call for Members

Jared wanted to setup a conference call for the group to discuss a few recent items that were swirling around via emails. All board members were in attendance, which included President; Jared Owen, President-Elect; Brian Oberle, Past President; Bruce Morton, Vice President; Rebecca Severson, Treasurer; Todd Loushine and Secretary; Ryan Ogrizovich. The topics discussed included:

1. Spring ROC Update – **Becky**
 - a. The group discussed hotel options and it was agreed upon to use the Brew House in Milwaukee for the hotel and then rent out space at the UW-Milwaukee Freshwater Building across the street for meeting space. The board voted to spend \$350 to rent the room/space.
 - i. The motion was made by Bruce Morton and seconded by Brian Oberle.
 - b. Bruce discussed new plans to look into a Miller/Coors tour since a new contact had been made. Bruce will be following up at our next scheduled meeting on November 20th.
2. LinkedIn/ASSE Group Email – **Jared**
 - a. Jared had built a LinkedIn page and new email. Due to the new email not being “vague” enough for each group member to use Secretary Ryan Ogrizovich volunteered to create an email and updated LinkedIn page.
 - i. New Gmail account will be kept by the Secretary and can be accessed by all.
 1. New Gmail: **asse.wisconsin@gmail.com**
 2. Password: **asseWI49!**
 - ii. New LinkedIn group was created. All board members were invited to join and made “Managers” of the group. It was suggested that each board member add their ASSE Board Position to their LinkedIn page to avoid confusion with group followers.
3. November Technical Meeting at UWW – **Todd**
 - a. Room is booked at UWW, food is scheduled and Eddie Greer is set to speak. Overall, the meeting is good to go. A few changes are being made to the roundtable sessions and Todd is still chasing down speakers with help from the board members.
4. November Newsletter – **Brian**
 - a. Ready to send, needs approval from board. Sent to members on November 4th.
