Chapter President's Message:

Hello my name is Craig Everson and I would like to introduce myself as the President of the Wisconsin ASSP Chapter. I hope this newsletter finds you safe and healthy. It was so nice to see so many of you at the Annual Golf Outing last month, to help us raise money for NAMI of Waukesha. This September I hope to see many of you as we have our first face to face technical meeting with Lighthouse Safety focusing on updates in fall protection. Keep an eye out for our webinars that we are providing links to through our social media or homepage. Reach out if in need of help; we are a community of peers that can be relied on to help each other out and get through this crisis. Always Remember to "Move Safety Forward".
