Chapter President's Message:

I hope this newsletter finds you safe and healthy. I am sad to announce that we have to cancel the Professional Development Conference held at Whitewater. The combination of uncertainty and further COVID regulations were a deciding factor in the postponement. We as a Chapter want to provide a great experience and with the current situation we did not feel we would have done you justice. We were excited to see the Brewers Win in our first Social Event of the year generously sponsored by Athletico. I want to challenge the Chapter Members in becoming more active. We would like to have a slew of candidates for the incoming Secretary position. If you don't want to serve on the board feel free to inquire about other opportunities. We look forward even through the difficult year ahead to provide you with great content and networking opportunities.

WI Chapter President for 2021-2022:

*think*safe. *act*safe

AMERICAN SOCIETY OF SAFETY PROFESSIONALS WHOLE HEARTEDLY SUPPORTS NAMIWALKS

Sarah Mullaney, Development Manager

The ASSP NAMIWalks team, aptly named Team ASSP, charged out of the starting gate in a big way, led by captain Bruce Morton.

Bruce, Risk Management Consultant for Marsh & McLennan Agency, also serves as the current President for the American Society of Safety Professionals' Wisconsin Chapter, and champions the newly founded Wisconsin Construction Wellness Community.

"As a safety professional, I know that stress is a safety matter... 60% to 80% of workplace incidents can be attributed to stress," states Morton.

There is a growing trend within the building and safety sectors to bring mental health needs into the conversation. The construction industry has one of the highest suicide rates of any profession.

Back Row: Matt Schmidt, Treasurer, ASSP Board of Directors; Bruce Morton, ASSP Board of Directors; Joel Dickinson, President Elect, ASSP Board of Directors; Elizabeth Polheber, Vice President, ASSP Board of Directors
Front Row: Karen Jandora, Secretary, ASSP Board of Directors; Joanne Angeli, Director of Finance and Administration, NAMI Southeast Wisconsin; Sarah Mullaney, Development Manager, NAMI Southeast Wisconsin; Elier Aguilera, President, ASSP Board of Directors

Lisa Vildberg, President, Board of Directors, NAMI Southeast Wisconsin; Bruce Morton, ASSP Board of Directors

To raise money for this devastating statistic, 145 people participated in the June 15th ASSP Golf Tournament at Hawk's View Golf Club, raising \$12,000! After reviewing the work NAMI Southeast Wisconsin does in the community, ASSP selected NAMIWalks to receive these funds as a donation, in addition to forming a NAMIWalks team, and sponsoring NAMIWalks Southeast Wisconsin as this year's Premier Sponsor.

It is not too late for you to get involved in NAMIWalks and support our mission to end the stigma associated with mental health conditions and to provide no cost educational opportunities to our community. Learn more at <https://namisoutheastwi.org/namiwalks>
